

Stephen's Green Club

VISION

Our Vision is to be the world's leading private members clubs, renowned for our hospitality, vitality, open-mindedness and distinguished community of members

MISSION

To enrich the lives of the men and women who are our members, personally and professionally.

We do so by:

- Providing opportunities to pursue business or social interests
- Creating a lively, bespoke programme of activities and events
- Offering discreet business and social facilities, elegant accommodation as well as fine and casual dining
- Knowing each member personally and offering a service that matches their needs

VALUES:

BELONGING: We make our members and guests feel welcome and closely connected every day

HERITAGE: We uphold its values and play our part in conserving its heritage, using all that is good and true about our past to inspire our present and future

INDEPENDENCE: We believe in a spirit of open-mindedness and independence of thought

RESPECT: We place a high value on courtesy, consideration of others, reliability and plain old good manners.
